### Child's Medical Report

Dear Parent/Legal Guardian:

The information in this letter regarding the Medical record is very important. Please read it carefully.

The Department of Human Resources (DHR) has established minimum standards for all child care facilities in the State of Alabama. These regulations are necessary to ensure that all services to children are adequate and operating according to accepted childcare practices.

St. Mark Early Learning Center is a Weekday Ministry of St. Mark United Methodist Church and is exempt from licensing as a child care facility. However, we will continue to comply with the Department of Human Resources regulations regarding the operations of the programs.

THE MEDICAL REPORT ON THE REVERSE SIDE MUST BE SIGNED BY A PHYSICIAN. THE DEPARTMENT OF HUMAN RESOURCES (DHR) REQUIRES THAT EACH CHILD HAVE A SIGNED MEDICAL REPORT AND A BLUE IMMUNIZATION CARD.

THIS REPORT MUST BE RETURNED TO THE ST. MARK ELC OFFICE NO LATER THAN THE FIRST DAY OF SCHOOL..

Thank you for your cooperation.
